

## Tickets & Finalist Benefits

### Family Wealth Report Awards 2022 Gala Awards Presentation Tickets

The black-tie gala presentation event, generally recognised as one of the highlights of the year for North American family office professionals, is where the Winners and Commended companies will be announced publicly and a physical trophy presented to the Winner on stage in front of a packed ballroom at the Mandarin Oriental hotel in New York.

Importantly, to maintain the suspense of the evening, finalists will not know in advance of the ceremony if they have been judged as Winners. However, it is made very clear when the shortlist is announced by the Host that being judged as a Finalist is an achievement in itself.

**Included in the ticket price are the following package elements:**

- Family Wealth Report Awards 2022 Finalist logo(s); customized logo with awards category name and company name, in a variety of formats. If a firm is a Finalist in a number of categories, they will receive a logo for each category;
